GENERAL SPECIFICATIONS

US Refrigeration is YOUR first choice in commercial refrigeration equipment

STANDARD FEATURES

- A high density, CFC free polyurethane insulation for the entire cabinet and solid door.
- Our equipment is designed using the highest quality materials and components to provide the user with stable product temperatures and lower utility costs at a very competitive price.
- Adjustable heavy duty PVC coated white shelves
- Self-closing and stay open door with door locks.
- Magnetic gasket with Stainless steel door hinges and a heating element for freezer doors
- Oversized wiring to prevent heat and damage to electronic components
- These models are also available in Half-Door models, too!
- We have oversized the refrigeration systems and increased the wiring gauge for longevity.
- All of our reach-in models come standard with casters, stainless steel interiors & exteriors
- Easy access condenser coil for cleaning
- Interchangeable pans and shelves on all Reach-ins
- Standard Oversized, high efficient compressor with automatic on-off interior lighting and evaporator fan.
